

Make your own Elf Plate

1. Lay out a piece of a scrap paper and paint a paper plate tan and let dry.
2. Cut out the following from a couple white paper plates:

2 elf ears

1 large triangle and 1 longer skinnier triangle for hat

small circle for nose

elf collar

circle eyes with the rounded bottom cut off

3. Then cut a 8 x 2-3" rectangle from the brown paper and cut the bottom pointed like hair.

4. Paint the cut out pieces the following colors:

ears: tan

hat: red

nose: tan

eyes: with the left side blue like pictured

5. Assemble the elf by glueing the pieces on the tan painted plate.
6. Dab the tip of your finger in the peach paint and dab the cheeks of the elf.
7. Draw a smile under the nose with a marker.
8. Glue cotton balls along the bottom rim of the hat and let dry.
